

FALL 2019 SET Fund Planning Sessions

Planning Session 1: Current Conditions in the Community

July 30th, 2019
11:30am-1:00pm

We will look at the current situation in Cedar Rapids, Iowa through a presentation of data by multiple organizations. Discussion will be had on what we are seeing/experiencing, the community needs from their perspectives and ways in which they are willing and prepared to partner with the public to address the issues. Q & A

Linn County Public Health

Law Enforcement/Courts

Cedar Rapids School District

Planning Session 2: Evidence-Based Interventions

August 19th, 2019
11:30am-1:00pm

We will take a look at the research around safety issue(s) in this and similar communities highlighting elements of promising and effective youth violence intervention & community crime reduction.

Communities GVI report

President's Task Force on
21st Century Policing

Planning Session 3: Community Connections

September 9th, 2019
11:30am-1:00pm

We will have a presentation by summer SET Fund grant recipients where they will share what they are learning about the work and the impact on participants. We will explore opportunities for collaboration by linking community assets with needs and conditions in ways that address what we have learned through previous sessions.
